that the following List or Manifest, subscribed by me, and now delivered to the Collector of the Customs of the Collection District of New York, is a full and perfect list of all the passengers taken on board of the said Steamer California from Hamburg, Germany, from which port said Steamer California has now arrived; and that on said list is truly designated the age, the sex, the occupation of each of said passengers, the location of the compartments or space of the said vessel occupied by each during the passage, the country of citizenship of each, and also the destination or location intended by each, and that said List or Manifest truly sets forth the number of said passengers who have died on said voyage, and the dates, and the names and ages of those who died; also of the pieces of baggage of each, also a true statement so far as can be ascertained with reference to the intention of each alien passenger, as to a protracted sojourn in this country.
